

information sheet

EatPakd is a fresh lunch delivery service on a mission to fill kids' bellies with wholesome, homemade food to fuel their day!

how it works

Visit our website and choose from our favorite Paks - or customize your own!

We prepare your Paks with care and deliver right to your front door!

Peel open and enjoy fresh food any time - at home, at school or on-the go!

wholesome ingredients

We hand-pick the best ingredients to use in our recipes, sourcing organic, hormone-free, and GMO-free whenever possible. In addition, we limit or completely remove added sugar, sodium, and preservatives - and make sure that all of our recipes are nut and tree-nut free.

convenient delivery

Our Paks are priced at \$6.50, with discounted pricing for our Subscription customers. We currently serve the Chicagoland area and all of Indiana. All Paks are prepared the same day they are delivered, ensuring freshness all week long!
